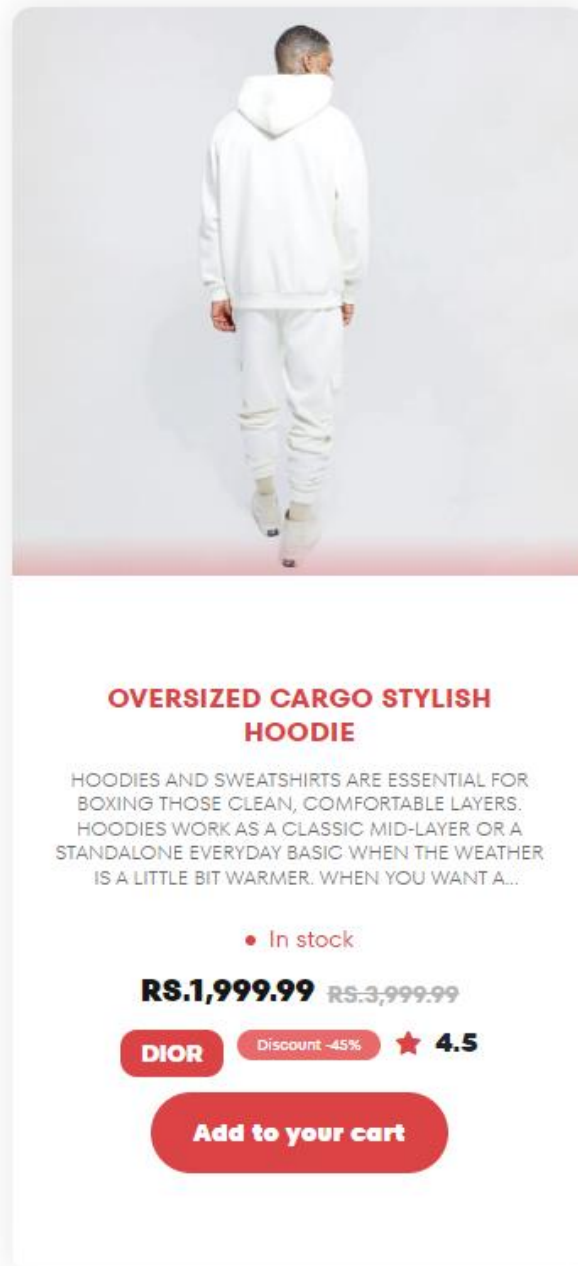

Figure 13: Add To Cart

When the user clicks the View This Product In-Store button, A Cart Page will be opened and the Card is shown there , With his Amount

Figure 20: Shipping

When the user clicks the Download button (Figure: Download), a Word file containing information and price will automatically download to the user's computer as file.rar.

Figure 21: Download

## 8. Contact Page(Contact.html)

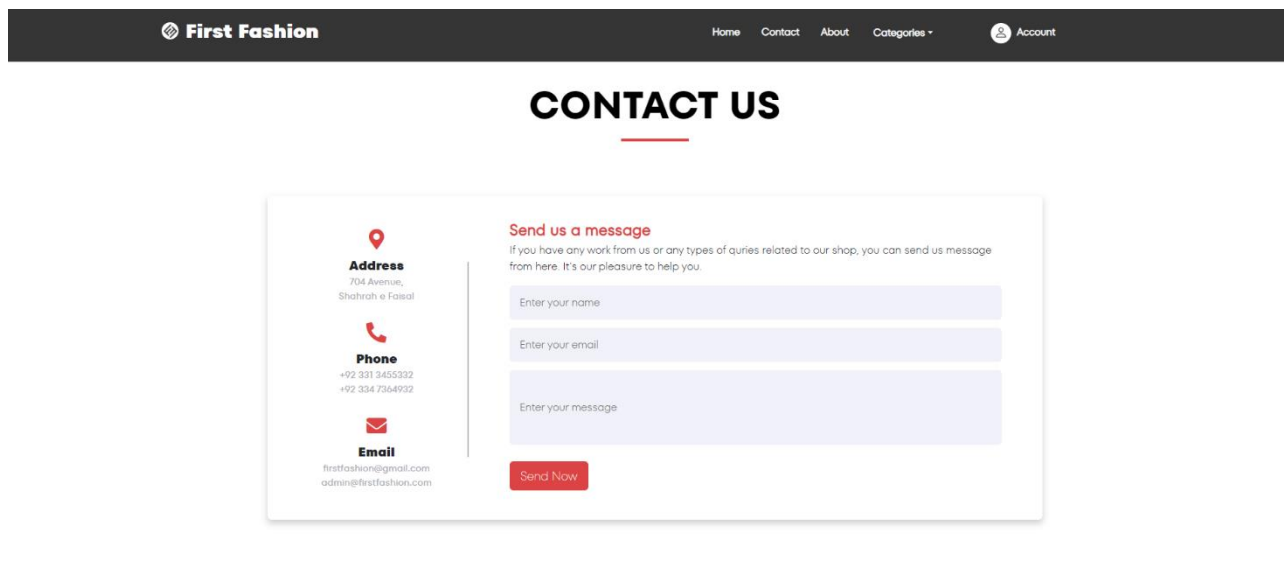

The screenshot shows the 'CONTACT US' page of the 'First Fashion' website. At the top is a dark navigation bar with the 'First Fashion' logo and links for Home, Contact, About, Categories, and Account. The main heading 'CONTACT US' is centered. Below it is a contact form. On the left side of the form, there are three sections: 'Address' with a location pin icon and text '704 Avenue, Shahrak e Faisal'; 'Phone' with a phone icon and two numbers '+92 331 3455332' and '+92 334 7364932'; and 'Email' with an envelope icon and two addresses 'firstfashion@gmail.com' and 'admin@firstfashion.com'. On the right side, there is a section titled 'Send us a message' with a subtext 'If you have any work from us or any types of queries related to our shop, you can send us message from here. It's our pleasure to help you.' Below this are three input fields: 'Enter your name', 'Enter your email', and 'Enter your message'. A red 'Send Now' button is at the bottom right of the form.

Figure 24: Support Page Interface

When the user clicks Support on the Menu bar, the interface of Support page will appear as Figure: Support Page Interface. This page contains store details.

The fields in the Crop Us Line section are entered with the following requirements:

Enter Your Name v/ Do

not leave blank.

- ✓ Do not include numbers, punctuation, hyphens, or any other special characters.
- Limited to 5 to 10 letter characters.

Enter Your Email

- ✓ Start with a letter or number.
- v/ End with a letter and number.
